

Instruction on Software Update Subscription Renewal

1. Login

Please ensure you have latest Update Client from www.autoboss.net.

Open update client from desktop shortcut and input your Serial Number and Password. After clicking [Ok], one of the following three cases will appear.

A screenshot of the 'Update Client V2.490' login window. The window has a blue title bar with the text 'Update Client V2.490' and a close button. The main area is light beige and contains a 'Login' section with three input fields: 'Server' (a dropdown menu showing 'Mirror site (Euro)'), 'S/N' (a text box), and 'Password' (a text box). To the right of these fields are three buttons: 'OK' with a checkmark icon, 'Modify password' with a padlock and gear icon, and 'Cancel' with a crossed-out 'X' icon.

1.If your account is valid, you will be taken to the download screen.

2. If your account is due to expire within the next 30 days, the message shown below will pop up to show the expiry date and reminder of renewal. Click [OK] to proceed to the download page.

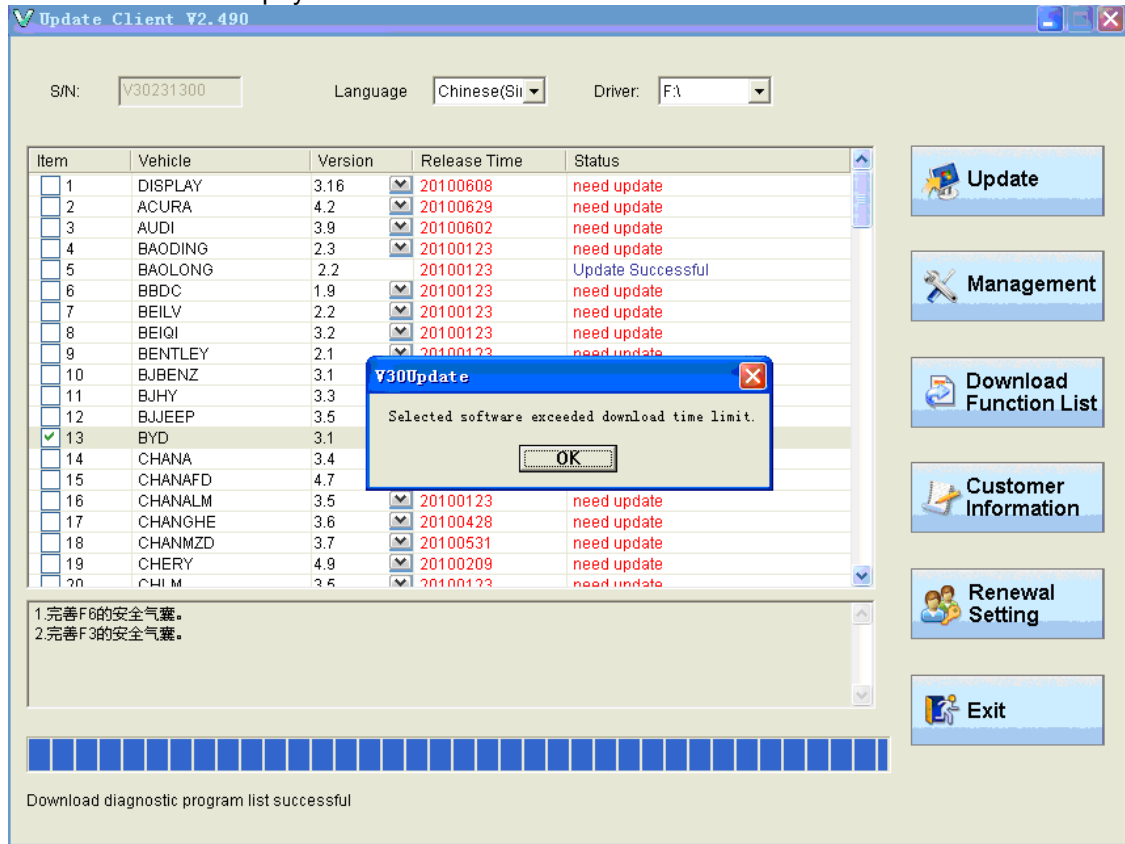

3.If your account has expired, the message shown below will pop up to show the expiry information. Click [OK] to proceed to the download page.

2. Download

If your account is expired, you will not be able to download Diagnostic software versions released **after** the expiry date.

3. Renewal

Click [Renewal setting], the message shown below will pop up.

Please input the Card Number and Security code from the Security Card to renew your software subscription.

Click [OK] to proceed.
